# harvest

*"I grow more and more in love with this community. It's great to see kids out playing and everyone says hello. My friend who was visiting was so impressed. We really love Harvest."*

- Jennifer Krocket

*"I was adamant about not moving that far away from where my husband was working, and then our realtor drove us through the neighborhood on spring break. Families were out everywhere playing baseball, soccer, at the playground etc. and I was hooked. We stopped at the playground and talk to parents and every single one of them said the commute was worth every single second"*

- Jamie Resweber-Webb

*"Community. We moved here from Lantana where we lived for 2 years and didn't know any of our neighbors. Our first park outing here in Harvest, we meet a handful of people that we still can say hi to in passing. Sold us right there. Listed our home next day and moved here."*
