LIVING A BOUNTIFUL LIFE

Located in the Argyle/Northlake area, Harvest is an award-winning agrihood that offers country living within the convenient framework of a modern, walkable community. Here, scenes of weekly gatherings, conversations at Farmhouse Coffee & Treasures, and children on bicycles mesh seamlessly with unique amenities including a commercial farm run by our full-time farmer. At the heart of the community, a picturesque 1.5-mile Central Park connects residents with amenities and each other – sparking interactions and cultivating community at every turn.

Harvest is developed by Hillwood Communities, one of the country's only large-scale, independent mixed-use community developers. With a 35+ year loyalty to our customers, partners and communities. As a privately owned company, we're free to focus on visionary, made-to-endure placemaking – and the quality of home and work life that creates. Learn more at www.HillwoodCommunities.com.
